

# LINCOLN UNIFIED - CAREER AND TECHNICAL EDUCATION PRESENTS...

## PARENT-STUDENT WORKSHOPS SPRING 2012

### Welcome to LUSD Community Education

Lincoln Unified is proud to announce their first series of Annual Parent-Student Workshops, hosted by the Lincoln High School Career and Technical Education Department. This program will offer short-term, not-for-credit, fee-based workshops for parents and students. These affordable workshops are designed to meet the needs of our community. Workshops are intended to provide personal growth, professional development, skill improvement, hobby development and recreational enjoyment. A variety of interests and topics will be introduced in an effort to meet the needs of people of all ages and backgrounds.

### The Parent-Student Connection

It's not surprising to know that the more parents are involved in their student's education, the more successful the student. These workshops offer a unique opportunity to share the learning experience, and have the potential to open many doors for both parents and students, paving the way to improved communication and understanding.

### Workshops and Registration

The following pages contain an outline of the workshops offered along with the instructions for completing the registration form. Keep in mind that space is limited and participants will be selected in the order payments are received. Completed registration forms and payments must be received by the Lincoln Unified School District Business Office no later than **January 30, 2012**. Forms and payments received after this date will be returned unprocessed.

**Our CTE Staff is looking forward to working with you and your student!**

**When registering, please keep in mind the following:**

- ★ CLASS OFFERING WILL BE DEPENDENT ON ENROLLMENT.
- ★ REFUNDS WILL ONLY BE GIVEN DUE TO LACK OF ENROLLMENT AND CLASS CANCELLATION.
- ★ FEES ARE NON-REFUNDABLE SHOULD PARENT OR STUDENT INITIATE CANCELLATION.
