

UC / CSU APPROVED COURSES

Below is a list of courses in this catalog which are listed as UC/CSU approved and meet “a-g” admissions qualifications for the University of California and the California State University systems.

Courses in this catalog which do not have these designations are still valuable in preparing you for college and a professional career. Colleges and Universities will only accept certain courses as evidence of preparation for particular college majors. Be sure to discuss these opportunities with a counselor during the registration process.
